

2012 Red Raider Summer Hockey League

League Information:

The Red Raider Summer Hockey League has been established to allow Mite through High School age players the opportunity to have fun while improving their hockey skills. The league will consist of three divisions broken down by birth year and playing experience. All games will be played at the South Wood County Recreation Center in Wisconsin Rapids. Sign up is on a first-come first-served basis, no exceptions. Registrations must be received no later than Monday July 1 (HS League), and Monday, July 30 (PeeWee/Bantam & Mite/Squirt). Each player will be emailed a confirmation notice approximately 5 days prior to the league start date with his or her team assignment and game schedule.

Session I - High School:

League is designed for all High School aged players. Students who will be freshman during the 2012-2013 school year will be asked to participate in the High School league and not in the PeeWee / Bantam group. The league will consist of 8 games which will have a 5 minute warm-up followed by two 30 minute run time halves. This will be a no-check league. All penalties will result in penalty shots and games ending in a tie will be decided by a shoot-out.

Session II - PeeWee / Bantam:

Any player that will be a PeeWee or Bantam during the 2012-2013 season is eligible with the exception of any players who will be freshman in the upcoming school year, as they will be asked to play in the High School League. Again for this year for the PeeWee / Bantam age group, we have designed a summer program that offers both skill development and games. This program is setup in a camp format where these young players will receive a session of skill development followed with the next session being a summer league game. All skill sessions will be lead by a member of the LHS High School Hockey Coaching Staff. Skill sessions will focus on individual skills and will focus on puck handling skills, passing, and shooting. Games will consist of one 5-minute warm-up prior to each game and two 30 minute run time halves. Games ending in a tie will be decided by a shoot-out, time permitting.

Sessions III – Mite & IV - Squirt:

Any player that will be a Mite or Squirt during the 2012-2013 season is eligible for this session. Again this year for the Mite / Squirt group we will be combining skill development and games. This program is setup in a camp format where these young players will receive a session of skill development followed with the next session being a summer league game. During all games, players will be matched against players of the same skill level as much as possible in order to keep the game competitive. All skill sessions will be lead by a member of the LHS High School Hockey Coaching Staff. Skill sessions will focus on individual skills and will focus around puck handling skills and passing. Games will consist of one 5-minute warm-up prior to each game and two 30 minute run time halves.

Teams:

Each session will include two teams consisting of not more than twenty skaters and two goalies per team. Teams will be picked in a draft format by the league coaches and balanced as equally as possible. It is possible that minor roster adjustments could occur after the league starts to maintain a competitive balance.

Rules:

All leagues will be a “no check” league with USA HOCKEY rules being enforced. All officials will be USA hockey certified. Penalty shots will be awarded for all penalties called. Any player who is involved in a violent incident may be removed from the league without refund as determined by the league director.

Session I League Schedule (subject to change): High School:

	<u>Date</u>	<u>HS GM1</u>	<u>HS GM2</u>
Sunday	7/15	7-8:15	8:30 – 9:45
